# System requirements for the using of SIAonline Frontend (SUI)

## Microsoft Windows

- Windows 10, 8.1(32-bit/64-bit), 8.0 (32-bit/64-bit), Windows 7 (32-bit/64-bit)
- Mozilla Firefox (actual version)
- Google Chrome (actual version)
- Microsoft Edge Browser (we recommend Edge Chromium)

## Apple Mac OS

- Mac OS X from version 10.8 or newer
- Mozilla Firefox (actual version)
- Google Chrome (actual version)
- Apple Safari not fully supported

## Linux

Linux not officially supported by SIAonline (Global Teach®).

## Additonal settings for Internet Browser

For the using of SIAonline (Global Teach®), Java Script and cookies must be activated. Cookies must be generally allowed or explicit activated for the website (URL) <https://sia-online.sick.com>.

SIAonline website (URL) <https://sia-online.sick.com> must be defined as a trustworthy page in the internet settings.

The installation of additional plug-ins is not necessary. Generally, it is helpful to permit pop-ups for the URL <https://sia-online.sick.com>.

For the using of WBTs (web-based-trainings / digital content it can be necessary to install additional plug-ins. Translation plug-ins may cause problems. For more detailed information please call your service provider.
